

Nosegay Wreath

Nosegay Wreath

12" finished block

Cut block background at least 13" square. Prepare bias stem 1 1/2" wide by 30" long. Press under 1/4" on each long edge. Place the stem in a circle on the background and appliqué in place. Cut 2 of each of the 3 flower parts. Cut 18 leaves (more or less depending on how many leaves you want). Appliqué flower parts and leaves as illustrated. Trim the block to 12 1/2" square.
